

AGENDA

8:15 – 8:45 Registration Lanier Hallway

8:45AM – 9:00 AM Welcome

Lanier A: Presenter – Brett Brandner – FAAE President

9:15AM – 10:15AM National FFA Presentation

Lanier A: Frank Saldana – National FFA, Presenter.

Session Description Here

10:25AM – 11:30AM NAAE Teacher Resources

Lanier A: Stan Scurlock – Cottondale Middle High School, Presenter

Hidden Treasures within COP and NAAE Benefits. From beginners to seasoned owls, COP has beneficial information for all.

10:25AM – 11:30PM Virtual Field Trips

Lanier B: Shannon Wiley, Crystal Kyle, and Lane Woodward Virginia Tech, Presenters

Virtual-reality teaching tools allowing participants the opportunity to swim with sharks, visit outer space, walk through a museum, and more without leaving the classroom. We will explore options that range from utilizing skype or other web video tools to virtual reality expedition goggles. The Virtual-reality options available enable teachers to bring the fieldtrip to the classroom enhancing the teaching and learning experience. During this workshop, participants will be introduced to this hands-on experience. Participants will walk away with a general idea of how to operate the various platforms and how to facilitate a virtual field trip with their students.

1:30AM – 1:00PM

Owl's Lunch – Heritage Park B & C

1:00PM – 2:30PM Dupont Ambassador

Lanier A: Carrie Owen – Deland Middle School, Presenter

Participants will be introduced to the DuPont Agriscience lesson, Cattle Calls, where they will discover a fun and exciting way of teaching selective breeding techniques in cattle. Participants will leave with a copy of the lesson and techniques taught at the DuPont Agriscience Ambassador program, including strategies for reading and grouping. This lesson is applicable for grades 8-12.

1:00PM – 2:30PM AEST Industry Certifications

Lanier B: Keith Bennett – AEST/ Florida Farm Bureau, Presenter

Teachers will have opportunities to take industry certifications in the areas of: Ag Associate Certification, Ag Communications, Agritechnology, Animal Science, Forestry, Ag. Biotechnology or Ag. Mechanics

** Exams vouchers must be purchased separately through AEST to participate in this session*

2:45PM – 3:30PM

Committee Meetings

Lanier A: Finance, Professional Development; Marketing

Lanier B: Public Policy, Policy & By-Laws, Member Services

3:30 PM – 4:30PM A Mooooooooovalous way to spice up your food science unit

Lanier A: Jerry Johnson – Covington High School - Tennessee, Presenter

This class will introduce the national milk quality and production standards by bringing Napoleon Dynamite live to your classroom. We will sample over 10 cheeses, learn how to mix ten different milks, learn about cheese characteristics, and introduce dairy products and fat percentages. This will be a hands on and fun class, bring some water for cleansing of the pallet, and gum for the end :)

3:30 PM – 4:30PM Using One Note & Microsoft Teams in with your FFA officer team

Lanier B: Amy McAllister – Volusia County Schools, Presenter

Does your officer team struggle with organization and communication? In this session you can learn how to use Microsoft OneNote and Teams to streamline communication and organize file sharing with your FFA officers and event planners. Please bring your laptops for this session.

4:40 – 5:30 Strategies from Teacher Turn the Key

Lanier A: Brittany Coleman- Barrington Middle, Presenter

4:40 – 5:30 Strategies from XLR8

Lanier B: Samantha Dodge – East River High & Farrah Johnson – Deltona High, Presenters

There is never enough time for everything on our “to do” list. During this session learn some tips to help prioritize your time and accomplish the big tasks at hand. “Eat that Frog” will look at effective time management and ways to help you better manage your professional life and personal life. Get out of the slump and get back on track to meet your goals!

11:00 AM – 12:00PM Florida FFA Association & Foundation Updates
Lanier A & B: Ronnie Simmons & Michael Rogalsky – Florida FFA, Presenters

12:00PM – 1:30PM Lunch (on your own)

1:30PM – 3:30PM Sustainable Farming Practices
Lanier A: David Byrd- Warner University, Presenter.
Identify past, present, and future concerns of natural resources conservation, including wildlife management. Identify causes, effects, and solutions to soil and water conservation concerns. Gain knowledge of the correlation between the agricultural industry and the uses of natural resources.

1:30PM – 3:30PM Creativity in the Classroom
Lanier B: Lane Woodward- Virginia Tech University, Presenter
Far too often creativity is left with the arts and not brought into the classroom. Creativity is linked to critical thinking and problem solving making it a crucial component in agricultural education classrooms. This workshop will allow teachers to explore and understand their own creativity by using a Torrance Test of Creative Thinking (TTCT). Following this assessment, teachers will then transfer that knowledge into lesson development to foster student creativity leading to student achievement. Teachers will leave the workshop with the skills to engage students with creativity found in lesson plans, classroom activities, and rubrics.

3:30 – 3:45 Break

3:45PM – 5:45 PM FAAE General Meeting
Lanier A & B - Brett Brandner – FAAE President - Presiding
